Retailer:

"Santa's arrival was professionally run and a fantastic event for the kids"
- *Manager of Eason, Mahon Point*

"We totally sold out of the *Animatronics Robot* that was demonstrated by the Gift Angels at the Grown Ups Grotto. We loved the service and it was great to see the Gift Angels bringing shoppers along to the store to help them select the gift from our catalogues. A superb event!" - *Store Manager of Argos, Manchester Arndale*
